

Message from our Principal

Dear Highpoint Parents,

During these times of economic hardships, we're so grateful to see how you have maintained your loyalty and commitment to our school. We're aware of how much work, money, time and effort you're putting so that your child can continue to receive the quality education that we're committed to providing. Our school continues to grow and flourish thanks to all the wonderful members of our "Highpoint Family."

As we begin another year, we're proud of our growth and our numerous accomplishments. We're proud to see the successes of our Alumni, many of whom are Doctors, Lawyers, Educators, Entrepreneurs or just successful all-around men and women.

We feel tremendous pride to enjoy community support, an excellent reputation and recognition for high quality from five reputable State and National Accrediting Associations. We're also proud to be recognized as a Quality Care Provider receiving the Gold Seal and Quality Counts recognition.

Our Administration, Teachers and Staff are all committed to continue preparing our students for the world of tomorrow. With an environment founded on love and care, individualized attention, state-of-the art technology, strong academic curriculum and emphasis on Character Education, our wonderful Faculty will continue to work hard to achieve all our goals. We pledge to do our part so that you can always be proud of your efforts and your investment.

As always, please feel free to share with us any suggestions or recommendations.

Warmest regards,

Ms. Alicia
